To Whom It May Concern:

The TROY UNIVERSITY chapters of Kappa Kappa Psi and Tau Beta Sigma are hosting the 9th Annual Step for Life Step Show in memory of Brother Steven Dobarzynski on May 1, 2010 on the campus of TROY UNIVERSITY at 6:00 P.M. in the Claudia Crosby Theater. "Dobar," as he is called by his close friends, was a recovering bone marrow transplant recipient until Monday, March 25, 2002, when we lost him due to health complications. Dobar beat the leukemia, but the complications involved in his recovery were too much. Few bone marrow transplant recipients have survived the many and often recurring complications Dobar had to endure. His spirit is an inspiration to us all.

This fundraiser serves as an opportunity for our organizations to raise funds and awareness for the Leukemia Lymphoma Society. Although we did not know Dobar long we are grateful for the time we spent with him. His character inspires us still today, which is why we also award a memorial scholarship to an outstanding student of the John M. Long School of Music who exemplifies leadership, scholarship, and musical excellence.

We would like to invite your business to join us in continuing our brother's legacy of hope by making a donation to support this cause. Thank you for your time and support as we honor our brother and strive to serve the community.

Donations may be sent to:
