We, the brothers of the Zeta Upsilon chapter of Kappa Kappa Psi and the sisters of the Epsilon Xi chapter of Tau Beta Sigma, will be hosting the 9th Annual Step-for-Life Step Show! In memory of Steven Dobarzynski, this step show benefits the Leukemia and Lymphoma Society of America. The Zeta Upsilon Chapter of Kappa Kappa Psi started this step show for the late Steven Dobarzynski. The brother, "Dobar" as Steven was affectionately called, was recovering from a bone marrow transplant when a step show was planned to benefit his recovery and raise awareness about Leukemia. On Monday, March 25, 2002, Dobar passed away due to health complications. Dobar beat the Leukemia, but the complications involved in his recovery were too much. His spirit is an inspiration to us all, and we are proud to call him Brother.
