To Whom It May Concern:

The TROY UNIVERSITY chapters of Kappa Kappa Psi and Tau Beta Sigma will be hosting the 10<sup>th</sup> Annual Step for Life Step Show. This event, in memory of Brother Steven Dobarzynski, will be held on the campus of TROY UNIVERSITY at 6:00 P.M. in the Claudia Crosby Theater on April 9, 2011. "Dobar," as he was called by his close friends, was recovering from a bone marrow transplant. Sadly, on Monday, March 25, 2002, he lost his battle due to health complications. Dobar beat his leukemia, but the complications involved in his recovery were too great for him to overcome. Few bone marrow transplant recipients have survived the recurring complications that Dobar had to endure. His spirit is an inspiration to us all.

This fundraiser serves as an opportunity for our organizations to raise funds and awareness for the Leukemia Lymphoma Society. Although we did not know Dobar long, we are grateful for the time we spent with him, and his unwavering character is to be commended. We also award a memorial scholarship to an outstanding student of the John M. Long School of Music who exemplifies leadership, scholarship, and musical excellence.

We would like to invite your business to join us in continuing our brother's legacy of hope by making a donation to support this cause. Thank you for your time and contribution as we honor our brother and strive to serve our community.
